Solution brief

0% FINANCING FOR SOFTWARE

Unlock the next generation of intelligent networking with HPE Networking software available through term-based licensing.

HPE

HPE Financial Services offers an extensive range of financing solutions and IT lifecycle services to organizations worldwide, catering to a diverse set of needs from IT acquisition to sustainable retirement and reuse of technology.

[1] Participating countries include Australia, China, Hong Kong, Japan, Malaysia, New Zealand, India, Singapore, South Korea, Taiwan, Thailand, Austria, Belgium, Finland, France, Germany, Ireland, Luxemburg, Netherlands, Portugal, Slovakia, Spain, Czech Republic, Denmark, Sweden, Switzerland, UAE, United Kingdom, USA, Canada.

Offer expires April 30, 2027.

Modern networking requires software that can automate operations, improve user experiences, and support AI-driven insights. With HPE Networking software available through term-based licensing and a limited-time 0% financing offer from HPE Financial Services, organizations can accelerate adoption of next-generation networking capabilities while preserving cash flow and maintaining predictable payments.

Special financing offer

For a limited time, HPE Financial Services is offering an exclusive program to help you acquire the new, secure, AI-native networking platform with maximum financial flexibility. Get started today and spread your payments over 3 years with no interest or additional cost.

Promotional benefits

- **Acquire now, pay overtime:** Get started with the HPE Networking Software today and spread your payments over 3 years with no interest or additional cost.
- **Hold onto your cash:** Redirect your capital to other strategic initiatives while you benefit from advanced AI networking capabilities.
- **Simple, predictable payments:** Fixed annual payments—make just one payment per year for three years. Unlike traditional subscription models, you pay for a set term, not indefinitely.
- **No hidden fees:** Transparent terms with no surprises—just straightforward financing to support your digital transformation.
- **Available worldwide:** Take advantage of this offer in 29 countries worldwide.[1]

More ways to finance:

- For other term lengths and in countries not included in this promotion, below marketing-rate financing is available.
- HPE and other OEM hardware, software, services, and installation may be included at standard finance rates.

Why choose the HPE Networking AIOps Platform?

— Unified AI-powered interface for seamless operability

— Enhanced network visibility, automation, and performance
