

# AI on US for full stack customer promotion

The industry's most complete full stack portfolio and proven AI with huge savings!!

### Promotional offer

- AP Series
- EX Switches
- SSR Series
- Mist AI Cloud subscriptions

### Time frame

- Valid from January 25th to December 31st 2024

Make Every User Experience Exceptional with HPE Juniper Networking AI-Native Campus and Branch Full Stack Solutions.

For a limited time, take advantage of HUGE savings with HPE full stack of AI-Native Campus and Branch solutions featuring industry-leading Wired & Wireless infrastructure and tunnel-free AI-Driven SD-WAN.

### End-to-end assurance

Only HPE has the client-level visibility required to anticipate and fix issues across the campus and branch before they become problems.

### Transformational scale

AI-Driven Enterprise Full Stack solutions ensure simplicity, productivity, and reliability, vital for digital transformation. Automation across the campus and branch promises faster deployment, reduced OpEx, and better resource utilization.

### Security in everything we do

With integrated next-gen security, HPE full stack prevents, identifies, and inspects threats with high performance throughput and scalability whether on-premises or in the cloud.

### Customer eligibility

- Available globally, where HPE Juniper Networking AI-Native Campus and Branch solutions (AP, EX Series, SSR Series) are certified for sale.
- Promotion is available for both new and existing Juniper Mist customers.
- Existing customers are only able to leverage this promotion in the event they are purchasing a net new Juniper Mist product or solution type.
- Have at least 1000+ non-Juniper Access Point, 300 switches, or 100 WAN edge devices of a competitor product in operation in their network.

### Let's get started

- Ready to experience the most proven AI in networking? For a limited time, we're offering HPE full stack of AI-Native Campus and Branch solutions at a fraction of the regular cost!
- Mix 'n match any combination of eligible wired, wireless, and WAN appliances and cloud subscriptions to create a deployment scenario that's right for you!
- Request a quote from your HPE representative or HPE Authorized Reseller

\*Recommended price for information purposes only. The actual purchase price is determined by the HPE Authorized Reseller and customer.
