

GRANT AND FUNDING PROGRAM

HPE is proud to offer a comprehensive grant support program. This value-added Grant and Funding Team will connect you to resources and opportunities that align with your needs and help support the goals of your organization.

We are here to assist you throughout the grant process—from identifying potential funding opportunities to adding clarity around application and post-award requirements. Whether you need help learning about funding, navigating the grant world, or determining how to get started, [our team is here to help](#).

Program services

→ Research

Our team of experts continually monitor major granting agencies and notify you when relevant grant opportunities arise.

→ Consultation

We take a customized approach to matching you with funding opportunities that best fit the unique needs and goals of your organization.

→ Education

We do the legwork in dissecting grant requirements and share our knowledge with you, helping make grants more approachable.

→ Post-award support

Our support does not stop when you submit a grant application. We are available to you as a resource throughout the entire grant implementation period.
