

HPE Aruba Networking education credits for certification training (H1EJ9E)

EMEA region 1 pricing update, effective November 2025

How to purchase training

There are two ways to purchase training: by credit card on the HPE Aruba Networking training site or by purchase order through an authorized distributor. For purchase orders, instead of buying individual classes, you buy training credits with part number H1EJ9E. HPE Aruba Networking training credits provide flexibility to take the training you need when you need it. Customers seeking eligible training can browse the HPE Aruba Networking training site by [course name](#) or location.

How to check your balance

If your company purchased a large block of credits and you wish to check your balance, [email with your HPE order number](#).

How to use training credits

For schedules and registration, including classes offered by our authorized learning partners (ALP), visit the [HPE Aruba Networking training site](#). You may also [download our Training Registration Guide](#).

When do the credits expire?

HPE Aruba Networking Training Credits are valid for a period of 12 months from the date of purchase. All HPE Aruba Networking Training Credits must be redeemed, and training must be completed prior to the end of the 12-month period following the date of purchase.

Cancellation policy

Learners can reschedule their class or receive a full refund if the class start date is outside of 14 calendar days and the payment method received will be applied to the new class.

There will be no refund if a rescheduling or cancellation request is made within 14 calendar days of the class start date.

Price list

Each course requires a different amount of training credits. Check out the following lists of our popular HPE Aruba Networking courses. To learn more, [visit the HPE Aruba Networking training website](#) or [email us](#).
