

HPE Education Services VMware vSphere Training and Certification

HPE Education Services helps drive better business results through VMware training solutions. Let HPE be your single vendor source for technical training and expertise related to virtualization technologies including HPE SimpliVity, HPE Synergy, HPE ProLiant, HPE OneView and other hybrid cloud technologies.

Why partner with HPE VATC for VMware training

- End-to-end training solutions covering Composable Infrastructure/Synergy, SimpliVity, Converged Systems, Cloud and DevOps, including vSphere integration and management using HPE OneView
- VMware Certified Instructors (VCI)
- Authorized VMware courseware, supplemented with value-add HPE technology content
- HPE Virtual Labs provides 1:1 equipment ratio (one server login per student) for hands-on labs
- Value add pricing for training plus certification prep (visit us [online](#) for details)
- HPE My Virtual Lab to extend the learning experience beyond the classroom
- Access to the latest HPE servers and other HPE technologies, with special attention to the integration between VMware vSphere and HPE OneView
- VMware On-Demand Training
- Flexible delivery methods including VILT (Virtual Instructor Led Training), dedicated onsite (OST) and HPE Digital Learner Subscriptions for continuous learning

VMware training from HPE Education Services

When it comes to VMware training, HPE leads the way. One of the largest official VMware Authorized Training Centers (VATCs), HPE is committed to the highest quality training solutions.

VMware runs on industry leading HPE platforms including HPE SimpliVity, Composable Infrastructure/HPE Synergy, HPE BladeSystem and HPE ProLiant servers. HPE Education Services can cover all your training needs—including Composable, Hyperconverged, (SimpliVity) High Performance Computing (HPC), Cloud, (private/public AWS), Storage and DevOps—with full VMware integration and management using HPE OneView.

Certification

HPE delivers training recognized by VMware for the VMware Certified Professional (VCP). We offer VCP certification preparation courses and access to self-paced HPE My Virtual Labs. This unique combination of training and certification prep helps students improve their success rate in VMware exams.

HPE Training Credits for VMware Services (HF386E / HF386A1)

With [HPE Training Credits for VMware Services](#), purchasing and managing training is easier than ever. Be sure to add VMware Training Credits by including SKU HF386E (fixed) or HF386A1 (flexible) to your order.

HPE Training Credits for VMware Services (HF386A1/E) are convenient and flexible.

- Training Credits can be used to attend any open enrollment training courses offered by HPE VATC in the US or Canada, at HPE Education Centers (ILT) or live, online, virtual, instructor-led (VILT format) classes.
- Each VMware Training Credit unit is priced at \$1000 USD/\$1200 CAD per day—the cost for one student to attend one day of public, open enrollment VMware training from HPE VATC.
- Training Credits are easy to manage and redeem. Welcome instructions inform customers on how to select and enroll in classes, redeem and monitor their account status.

For more information on HPE Training Credits for VMware Services, visit us [online](#) or contact your sales representative.
