HPE SANNAV GLOBAL VIEW 1YR LTU (R3P47A)

Storage Device Management Software

WHAT'S NEW

- Introducing 5-year Term-License for SANnav Management Portal and SANnav Global View Software

OVERVIEW

Would you like to visualize, manage, and analyze SAN performance and overall operational health intelligently? As organizations race to modernize the data center to support innovation and digital transformation, storage networks are evolving faster to accommodate the new applications. Administrators, therefore, need ways to visualize and manage SAN health and performance efficiently. HPE SANnav Management Software is the next-gen SAN management application suite for HPE B-series Fibre Channel SAN environments. It consists of SANnav Management Portal Software and SANnav Global View Software. SANnav Management Portal builds the foundation for an autonomous

SAN with a modernized and simple browser-based UI to monitor and streamline common workflows, such as configuration, zoning, deployment, troubleshooting, and reporting. SANnav Global View enables visualization of health, performance, and inventory of multiple SANnav Management Portal instances using a simple yet intelligent dashboard.

FEATURES

Simplified yet Comprehensive Manageability

Provides modern UI with intuitive use-case driven workflows for common configuration tasks.

Enhances monitoring with customizable health, performance, event, inventory, security, and status dashboards.

Troubleshoots rapidly with instant view of fabric, powerful log-analysis, historical, and real-time data.

Displays in-context topology views based on host, target, fabric, and zone.

Focused Global Visibility

Captures global inventory across geographical locations and visualizes SAN usage.

Provides a single pane-of-glass view to monitor overall SAN health, events, violations, and drifts.

Enables quick drill-down troubleshooting across local instances.

Flexible and Scalable

Implements a highly scalable client-server architecture for SAN management.

Available with flexible options of 1-year, 3-year, and 5-year term-based licensing.

Supports the existing and future HPE B-series SAN Infrastructure - 8 Gb, 16 Gb, and 32 Gb switches and directors.

Technical specifications

HPE SANnav Global View 1yr LTU

Product Number	R3P47A
Supported hardware environment	HPE B-series Fibre Channel Directors and Switches
Version	HPE SANnav Management Portal Base Edition (1-year, 3-year, and 5-year term-license); HPE SANnav Management Portal Enterprise Edition (1-year, 3-year, and 5-year term-license); HPE SANnav Global View (1-year, 3-year, and 5-year term-license)
