HPE STOREFRONT MOBILE ACCESS SOFTWARE

Storage Device Management Software

WHAT'S NEW

- iOS Smartphone Support

OVERVIEW

Are you constantly on-the-go and need simple and efficient tools for “anytime, anyplace” monitoring of your HPE Converged Storage?

With HPE StoreFront Mobile Access, you can securely monitor your HPE Storage arrays 24x7 from any location. Simply download the free application to your iOS or Android-based smartphone, and you’ve got a secure, converged storage management platform and mobile access point to keep track of your HPE 3PAR StoreServ Storage.

The HPE StoreFront Mobile Access App provides a no-risk, encrypted login with browse-only enforcement access. This means the entire communication is encrypted for your protection. It's integrated with current HPE 3PAR StoreServ role-based security, and offers a simple, intuitive user interface that's consistent with HPE 3PAR Management Console.

HPE StoreFront Mobile Access enables storage administrators to have real time access to their HPE Converged Storage allowing them to act on information faster than ever before.

FEATURES
